

ARKANSAS DEPARTMENT OF PARKS, HERITAGE, AND TOURISM
DIVISION OF STATE PARKS

~~FEBRUARY 1, 2016~~ September 15, 2022

PARK DIRECTIVE 1191

SMOKING / TOBACCO / ELECTRONIC CIGARETTE POLICY

For public health, safety, preservation, and the prevention of triggering of smoke/fire alarm/vapor sensitive systems, the use of the following “products” is-are prohibited inside or within twenty-five (25) feet of any enclosed Arkansas State Park building or structure:

- Smoking of tobacco
- Use of ~~Tobacco~~tobacco
- Use of Non-FDA Center for Tobacco Products (CTP) regulated nicotine products in any form
- Electronic cigarettes (e-cig or e-cigarette)
- Personal vaporizers (PV)
- Electronic nicotine delivery systems (ENDS)

~~An exception to the above is the use of legal products at:~~

- Open picnic pavilions
- Outside of cabins, to include screened and open porches and decks

~~Smoking continues to be prohibited inside all park / museum buildings. In addition, to ensure water quality, reduce littering, and improve guest experience, smoking will not be allowed within the boundaries of all park beaches and on the Crater of Diamonds minefield.~~ Park Superintendents may establish designated employee and guest legal product use areas outside of buildings that are away from (at least twenty-five (25) feet) any building entrances and out of primary public use areas view.

Replaces PD 1191 dated ~~August 9, 2005~~ February 1, 2016
